Such unanimity and strength of testimony, inreliable in the country. Mr. W. was early in life a resident of Boone county Missouri, and is connected with some of the most influential families there. Please notice the advertisement of TRUN-DLE & DIXON, Dealers in Drugs, Medicines, Paints, Glass-ware and Stationary. They have one of the largest and most complete establishments west of St. Louis.

The Late Elections.

California. J. W. Denver, and P. T. Herbert, Democrats, have been elected to Congress by a majority of 2000. The legislature as heard from stands, Senate 26 Democrats, 7 Whigs; Representatives, 45 Democrats, 35 Whigs. The Know Noth-

ings carried the City of San Francisco.

Ohio. There is a potability that the Independent ticket has arried the State.

This party is a fusion of Know Nothings, Whigs, Anti Nebraska Democrats, and the whole aggregate of isms. There was no whig ticket.

Pennsylvania. The fusionists have carried this State. The elements here were much the same as those of Ohio with this difference that in Pennsylvania, the fusion fought under the Whig name.

Indiana. From this State our returns are limited, but thus far favorable to the Democratic party.

Indian Payments.

The payments to the Indian tribes in our vicinity have begun. Maj. Moore has coms menced with the Miamies, Weas, Peorias and Piankeshaws.-Maj. Clark will pay and Plankeshaws.—Maj. Clark will pay from every variety of suitable material for such the Pottowattomies about the 20th, and the articles; beautifully finished linen shirts, &c. Kansas Indians soon thereafter.-Judge &c. James, agent for the Sacs and Foxes, Chippewas and Ottowas, and Col. Robinson agent for the Wyandots, Shawnees and Delawares, are hourly looked for, and will commence their distributions the last of next week or the first thereafter.

There will be a large amount of money distributed by them. And as these tribes of Indians are chiefly supplied by merchants of this place and Westport, we hope it will have a favorable influence upon the monetary affairs of this section of the country.

FLOUR MILL IN THE SANDWICH IS LANDS .- On the 21st of June last, the first flour mill was set in motion at Honolulu. Sandwich Islands, and a fine article was turned out, from the new crop of wheat raised on the Island.
